

Welcome to the Wensleydale Heifer's Wine List

Our aim is to provide *a range of wines* that offer *something for everyone*, whether you are enthusiasts, experts or just enjoy good wine without pretension. We have worked closely with various producers, winemakers, principals and more MWs (Masters of Wine) than you can shake a stick at in our attempts to put together what we feel is a *well-balanced list that reflects the style of the Heifer*.

The common denominator with all the people we work with is passion and pride as well as a sense of fun. After all, *food and wine are all about enjoyment*. As well as some of the benchmark classics we have included some fantastic food wines that are maybe *less well-known but certainly worth a try*. So give some thought to the unsung heroes who spend their time gadding around the world, tasting fine wines and eating the best food in order to provide you with such an interesting list. It's a tough job, but someone's got to do it.

So here it is. We hope you enjoy our selection as much as we enjoyed putting it together: *a list fit for a Heifer with no Bull*.
